Notice to Applicants for Employment

Please read the section below and sign where indicated.

Permission to Obtain Background and Criminal Reports

In order to properly evaluate your application for employment we may obtain background and criminal reports on you from an investigative reporting agency. We will not do this without your permission. Please read and sign the following consent to grant us permission to obtain the report.

Authorization to Obtain Background and Criminal Reports

In order to evaluate my application for employment, I authorize you to obtain background and criminal reports on me from an investigative reporting agency. This authorization is granted with the understanding that if you do obtain such a report you will use it solely in the evaluation of my application and never disclose its contents to anyone not participating in this evaluation.
